The Sunflower Summer Program is a benefit for Kansas families with school-aged children to encourage them to explore, and fall in love, with Kansas. The program is designed to give affordable access to tourism attractions across the state and support the Kansas tourism economy. Eligible Kansas families will download the Sunflower Summer App to claim tickets to participating venues. The 2024 Sunflower Summer season will run from May 24 – August 11.

"We are thrilled to be in our third year as a venue for the Kansas Sunflower Summer program," said Eric Cale. "This opportunity allows us to welcome Kansas families to our attraction and provide them with an unforgettable experience."

Kansas Tourism, a division of the Kansas Department of Commerce, aims to inspire travel to and throughout Kansas to maximize the positive impacts that tourism has on our state and local communities.

"Kansas Tourism is excited to have the Wichita-Sedgwick County Historical Museum as a part of the Sunflower Summer program," said Kansas Tourism Director, Bridgette Jobe. "This program is an amazing benefit for the residents of Kansas, and we are looking forward to growing the program in the 2024 season.
