TEENS THROUGH TIME EVENT: “ STUCK IN THE PAST”

Saturday - April 11, 2026

6:30pm – 9:00pm

Free Admission

Open to the Public

Wichita-Sedgwick County Historical Museum’s Teen Through Time is proud to announce its upcoming event: "Teens Through Time: Stuck in the Past."

Designed specifically for and by students in grades 9 through 12, this event aims to bridge the gap between modern youth culture and the rich heritage of the Wichita area. Departing from the traditional "quiet museum" experience, "Stuck in the Past" offers an immersive environment where history is a lived experience rather than a textbook lesson.

The event features a curated selection of activities designed to engage visitors, including interactive puzzles themed around different eras of Wichita’s growth. Travel through the museum and, with each problem solved, collect pieces to repair your time machine and make it to the clock tower before lightning strikes!

This event is the project of the museum’s Teen Through Time program, a group of motivated young high schoolers who meet monthly to design an annual event that helps make local history relevant to the next generation.
